Lucas Hertzog

Curtin University, School of Population Health
lucas.hertzog@curtin.edu.au ⋄ +61 0426 068 342

Sociologist focused on combining advanced statistics with geospatial analysis to improve human health and well-being, producing evidence-based policy-influential insights to enhance climate resilience among vulnerable populations

Education

PhD in Sociology	2015 - 2019
MSc in Sociology	2013 - 2015
Bachelor in Social Sciences (Honours)	2007 - 2012
Federal University of Rio Grande do Sul	Brazil

Additional training

Graduate Certificate in Education – Sociology	2018 - 2019
North Paraná University	Brazil
Development Studies (Visiting Student, Erasmus Mundus)	2010 - 2011
Lund University	Sweden

Work Experience

Full time appointments

Research Associate	2023 - Present
Curtin University, School of Population Health	Australia
Healthy Environments and Lives (HEAL) Network	
WHO Collaborating Centre for Climate Change and Health Impact Assessment	
Research Fellow	2020 - 2023
University of Cape Town, Centre for Social Science Research	South Africa
UKRI GCRF Accelerating Achievement for Africa's Adolescents Hub	
Lecturer	2019
Federal University of Fronteira Sul, Social Sciences Department	Brazil
Research Associate	2014 - 2016
Ministry of Justice, Brazilian National Secretariat for Policies on Drugs	Brazil

Part time appointments

Sociology Teacher	2018
Emílio Meyer High School, Grades 11 and 12	Brazil
Research & Teaching Assistant	2009-2010
Federal University of Rio Grande do Sul, Sociology Department	Brazil

Policy implementation (non-academic)

Social Housing Analyst	2011 - 2014
CAIXA (Federal Savings Bank)	Brazil

Compiled on 22/01/2024

Consultancy(UN Family)

Social Protection Consultant 2022 - US$27,000
United Nations High Commissioner for Refugees (UNHCR) South Africa

Digital opportunities for adolescents during COVID 2020 - pro bono
UNICEF Office of Research - Innocenti Italy
Writing contributor for the Innocenti Research Report 'Beyond Masks: Societal impacts of COVID-19 and accelerated solutions for children and adolescents' https://www.unicef-irc.org/publications/pdf/UNICEF-Beyond-Masks-Report-Societal-impacts-of-COVID-19.pdf

Funding ($\sim$ \$200,000)

Incentive scheme grant (multiple awards) 2023 - \$70,791
Curtin University, School of Population Health Australia

NDA Community Connect 2023 - \$40,000
Australia Research Data Commons (ARDC) Australia

Conference Travel and Grant Seeker Excellence Awards 2022 - ZAR 35,000
University of Cape Town South Africa

Multiple awards and fellowships 2009 - 2019 - BRL 166,800
National Council for Scientific and Technological Development Brazil

IASSIST Fellows Award 2022 - US$2,000
International Association for Social Science Information Service and Technology USA

Mobility Scholarship to Lund University 2010 - 2011 - EUR 20,000
European Commission - EACEA Sweden

Projects & engagement

7. **Environmental Health**

   Bushfire/climate change impacts on health outcomes   2023-Present
   Support the Data and Decision Support Systems (DDSS) work package of the NHMRC's HEAL
   national network with a focus on methodology for data analysis and synthesis. DDSS lead: Dr
   Ivan Hanigan.

6. **Perinatal mortality**

   **Systematic review of economic evaluations to reduce perinatal morbidity and mor-
   tality**   2023-Present
   CI in a project to unpack the most effective interventions for achieving SDG 3.2

5. **Infectious diseases (TB)**

   **Burden and risk factors of long-term sequelae associated with drug-resistant tuber-
   culosis**   2023-Present
   Project Manager and CI for a retrospective cohort study conducted at Gondar University Re-
   ferral Hospital in northwest Ethiopia (n 1,000)

4. **Violence Prevention**

   **Capitalising on the VACS (Violence Against Children Surveys) to explore violence
   prevention provisions for Africa's adolescents**   2021-2023
   In partnership with CDC (United States' Centers for Disease Control and Prevention) and
   Together for Girls, my role in this project is to coordinate the secondary data analysis and lead
   the quantitative data analysis component. PIs: Prof Lucie Cluver and Dr Elona Toska

3. **Gendered Risks and HIV Prevention**

   **Global Fund Strategic Initiative on Adolescent Girls and Young Women - Review
   of the programmatic and cost effectiveness of national frameworks for AGYW pro-
   grams in five sub-Saharan African countries**   2021-2023
   Improve prevention and teatment outcomes for young women, focusing on key pathways to HIV
   infection, including sexual violence and school dropout. PI: Dr Elona Toska

2. **Development Accelerators Focusing on Health Outcomes**

   UKRI GCRF Accelerating Achievement for Africa's Adolescents Hub   2020-2023
   Generate evidence on which development accelerators – alone and in synergy with each other –
   can support adolescents in Africa to reach multiple SDGs. PI: Prof Lucie Cluver

1. **Mental Health and Drug Policy**

   Social Genesis of Crack in Brazil   2014-2016
   Research with vulnerable populations with a history of psychoactive substance misuse. Policy
   influencing at national and local levels to adapt and implement interventions tested in São
   Paulo. PI: Prof Jessé Souza
